The corresponding authors will receive an email notifying them that their APC payment is due. This email will contain a link to the Author Charge page on RightsLink, our payment vendor's platform.

Science Advances' default setting is for a CC BY-NC license, but we also offer a CC BY license for an additional fee. Authors should check with their funding body to see if they require publication under a CC BY license.

A red arrow points to the dropdown menu. The total charge is 4,000.00 USD*. At the bottom, there are two buttons: 'APPLY DISCOUNTS' and 'PAYMENT OPTIONS'.
