

HOW TO PUBLISH OPEN ACCESS WITH ECS

Submit your manuscript online:
ecsjournals.msubmit.net
When prompted select
Author Choice Open Access.

Choose your article credit*

Member	Focus Issue	ECS Plus	Institutional Member
ECS members receive 1 article credit per year. Otherwise, ECS offers members a 75% discount.	Papers submitted to ECS focus issues are provided with coupon codes to publish OA free of charge.	Authors affiliated with institutions that subscribe to ECS Plus are eligible for unlimited article credits.	Institutional members can elect for article credits as an exclusive member benefit.

*If no article credit is available, ECS's standard article processing charge is \$1000 USD.

Select a Creative Commons license

-------------	-------

Upon acceptance, the corresponding author will receive an email from CCC's RightsLink. **Forward this to the author handling the charges or claiming an article credit.**

To apply an article credit:

Use the link in the email to review your charges. If you are eligible for an article credit please select Apply Discounts . Focus Issue papers will have their discount applied automatically .	Enter your ECS ID, coupon code, or search for your affiliation to apply ECS Plus subscriber credits. Please be sure to leave all other fields blank.
---	--

To complete the transaction:

The transaction needs to be completed through a CCC account , whether or not you need to pay.	Select Payment Options then sign in or register for a CCC account.	Follow the prompts to complete the process. Once finished, you will receive a confirmation email with a transaction summary.
